

### How to get here:

Below you will find pictures to arrive from Barrio 2 in San Marcos Atitlán la Laguna.  
**Ask your tuktuk to bring you to Eagle's Nest from the center of town, or walk up Barrio 2.**

Look for the sign and yellow arrows on the left of the road shortly before Shangri La. The Eagle's Nest Sign is circled in yellow.

Throughout these images, arrows and signs are highlighted in yellow circles, while the path is marked in red.

\*Note that this is the path straight from Shangri-la

Throughout this pictures arrows and signs are circled in yellow and the path is marked with red.

Throughout these images, arrows and signs are highlighted in yellow circles, while the path is marked in red.

Throughout these images, arrows and signs are highlighted in yellow circles, while the path is marked in red.

Once you get to Shamana, follow the path to the right, you'll find yellow arrows there too!

Throughout these images, arrows and signs are highlighted in yellow circles, while the path is marked in red.

**Did you know?**

The yellow arrows guiding you to Eagle's Nest are inspired by the Camino de Santiago in Spain, where pilgrims follow yellow signs to reach the resting place of the apostle James. Just like them, you're on a journey — one step at a time, toward something sacred.

Throughout these images, arrows and signs are highlighted in yellow circles, while the path is marked in red.

You made it!  
Welcome!
